Dear Parent, Guardian, or Secondary Students:

Our district receives funds from the federal government under the *Elementary and Secondary Education Act* as amended (2015). These funds are used to provide additional help to students in greatest academic need. If requested, the law also requires that districts receiving these funds must provide military recruiters, colleges and universities access to the names, addresses and telephone listings of secondary students.

It is important for you to know that a secondary school student or his or her parent or guardian may request that the student's name, address, and telephone number not be provided by the district *without prior written parental consent*. If you would like to make such a request, please complete the following form and return it to your child's school.

*Parent or Guardian: Please complete this section and return the entire form to your child's school.  
Use a separate form for each child.*

I am aware the district must provide student names, addresses and telephone listings access to military recruiters, colleges, or universities. I am aware the district will provide this information upon request, unless I require that such information not be given to the following groups *without prior written parental consent*:

**Military Recruiters** (*please check one*):

- Do not release my secondary student's information to military recruiters at any time.
- Do not release my secondary student's information to military recruiters until you have first obtained my *prior written parental consent* before doing so.

**Colleges, Universities, or Institutions of Higher Learning** (*please check one*):

Our school receives federal funds for programs that are part of the *Elementary and Secondary Education Act (ESEA)*, as amended (2015). Throughout the school year, we will continue to provide you with important information about this law and your child's education. Based on current education law, teachers must have earned State certification and licensure. State certification and licensure is the training required to be a teacher.

We are very proud of our teachers and feel they are ready for the coming school year. We are prepared to give your child a high- quality education. You have the right to request information about the professional qualifications of your child's teacher(s) or paraprofessional(s). A paraprofessional provides academic or other support for students under the direct supervision of a teacher. If you request this information, the district or school will provide you with the following as soon as possible:

- a. if the teacher has met State certification and licensing requirements for the grade levels and subjects for which the teacher provides instruction;
- b. if state certification and licensing requirements have been waived (is not being required at this time) for the teacher under emergency or other temporary status;
- c. if the teacher is teaching in the field of discipline for which they are certified or licensed;
- d. if the teacher has met State-approved or State-recognized certification, licensing, registration, or other comparable requirements. These requirements apply to the professional discipline in which the teacher is working and may include providing English language instruction to English learners, special education or related services to students with disabilities, or both; and
- e. if your child is receiving Title I or Special Education services from paraprofessionals, his or her qualifications.

Our staff are committed to helping your child develop the social, academic and critical thinking he or she needs to succeed in school and beyond. That commitment includes making sure that all of our teachers and paraprofessionals are highly skilled.
