

Butte Falls Secondary School Handbook Worksheet - 2017-18

The purpose of this worksheet is for each student to visit the web page, become familiar with the handbook and find the answers to the questions. It would be considered cheating if a student were to copy the answers from another student's paper. The questions are listed in order of how they appear in the handbook so that students will not need to scroll up and down too much.

Go to www.buttefalls.k12.or.us

Then click on "Resources and Forms"- "For Students"- "Secondary Student Handbook"
